2005 Supplement to the American Indian Law Deskbook - Hardy Meyers 2005-10-18

THE AMERICAN INDIAN LAW DESKBOOK, originally published in 1993 and most recently revised in 2004, is a comprehensive treatise providing readers with the necessary historical, factual, and legal framework to understand the complexities that states, Indian tribes, and the federal government face when dealing with Indian lands. The annual supplement, an integral, distinguishing feature of the Deskbook, ensures that the Deskbook remains the most current and useful reference work in American Indian law. The 2005 Supplement reviews all decisions issued prior to July 2005, updates federal statutes and administrative regulations through July 2005, and updates law review articles through spring 2005.

Cohen's Handbook of Federal Indian Law - Felix S. Cohen 2012

Cohen's Handbook of Federal Indian Law is an encyclopedic treatise written by experts in the field, and provides general overviews to relevant information as well as in-depth study of specific areas within this complex area of federal law. This is an updated and revised edition of what has been referred to as the "bible" of federal Indian law. This publication focuses on the relationship between tribes, the states and the federal government within the context of civil and criminal jurisdiction, as well as areas of resource management and government structure. The 2012 Edition of Cohen's Handbook of Federal Indian Law also includes coverage of:

- * Current topics such as Indian gaming and taxation
- * History and structure of tribal governments and tribal law
- * Tribal and individual Indian property rights, including intellectual property rights
- * Water rights
- * Hunting, fishing, and gathering rights
- * Economic development issues
- * Government programs

This compact publication is the only comprehensive treatise explicating one of the most difficult areas of federal law. Used by

judges as well as practitioners, this publication provides the tools to understand the law and to find relevant cases, statutes, regulations, and opinions critical to answering legal questions about federal Indian law. This updated edition remains the definitive guide to federal Indian law.

Native American Sovereignty on Trial - Bryan H. Wildenthal 2003-04-24

A survey of Native American tribal law and its place within the framework of the U.S. Constitution from colonial times to today's headlines. Using five major court cases, *Native American Sovereignty on Trial* examines American Indian tribal governments and how they relate to federal and state governments under the U.S. Constitution. From the foundational U.S. Supreme Court opinions of the 1830s, to the California State Gaming Propositions of 1998 and 2000, the impact and legacy of these court cases are fully explored. The actual text of key treaties, court decisions, and other legal documents pertaining to the five tribal controversies are featured and analyzed. Clearly presented, this in depth review of essential legal issues makes even the most difficult and complex judicial doctrines easy to understand by students and nonlawyers. This concise volume tracing the evolution of Native American sovereignty will supplement coursework in law, political science, U.S. history, and American Indian studies.

2011 Supplement to The American Indian Law Deskbook - Conference of Western Attorneys General
2012-02-15

Thorough, scholarly, and balanced, *The American Indian Law Deskbook*, Fourth Edition, published in February 2009, is an invaluable reference for a wide range of people working with Indian tribes, including attorneys, legal scholars, government officials, social workers, state and tribal jurists, and historians. The 2011 Supplement reviews cases issued, as well as statutes and administrative rules adopted, from July 2010 through June 2011. It additionally covers law review articles published between spring 2010 and spring 2011.

American Indian Law - Carole E. Goldberg 2015

To view or download the 2022 Supplement to this book, [click here](#). *American Indian Law: Native Nations and the Federal System*, now in its Seventh Edition, surveys the tribal-federal relationship. It is primarily devoted to the study of federal Indian law, i.e. the federal law developed to regulate the tribal-federal relationship. This book pursues a broad perspective, merging jurisprudence, history, comparative law, ethnology, and sociology to bring meaning to the tribal-federal relationship. The authors do not merely present the 'black letter' law as is, but also provide the historical, cultural, and jurisprudential tools for a reader to critically analyze the current state of legal doctrine in federal Indian law. The book provides a wide-ranging inquiry into the role of law and legal processes, both domestic and international, in protecting or frustrating the desires for political and cultural autonomy of various racial, cultural, religious, or national subgroups within a society. The authors have incorporated insights from an array of new intellectual developments in law and related fields, including critical race theory, the new legal realism of the law and society movement, empirical approaches to law, law and economics, indigenous methodology, legal pluralism, and neoinstitutionalism. The aim is to inform future practitioners and advocates about pragmatic, political possibilities and constraints, complementing theoretical and critical perspectives that may challenge the current state of affairs. At several points in the casebook the authors emphasize intergovernmental relations through cooperative agreements and institutional innovation. The cross-currents and inconsistencies of such legislative developments, case decisions, and intellectual ferment present formidable challenges to anyone who sets out in a casebook format to capture the depth and richness of the intellectual efforts of tribal people and others, including judges, legislators, lawyers, and academics, to build a coherent body of Indian law. The book serves double-duty as a research sourcebook in the field of federal Indian law and can be used as a resource for students long after graduation.
