Toyota 2006-2016 Service Guide & Log - C. Almeida 2016-01-27

The purpose of this guide is to help Toyota vehicle owners to simply understand and track the required service maintenance tasks and intervals. Each service interval page lists all recommended service tasks for the given period. On the back of each service interval page is a place holder where the owner can attach receipts associated with the given service. This provides a simple and effective means of collecting and organizing vehicle service records for future reference. A great resource in the resale market, were confidence is gained by prospective pre-owned vehicle buyers when sellers are able to demonstrate that the vehicle has been well maintained. It is also an indispensable tool when dealing with warranty claims.

The Origin of Competitive Strength - Akira Kawahara 2012-12-06

When the war ended on August 15, 1945, I was a naval engineering cadet at the Kure Navy Yard near Hiroshima, Japan. A week later, I was demobilized and returned to my home in Tokyo, fortunate not to find it ravaged by firebombing. At the beginning of September, a large contingent of the American occupation forces led by General Douglas MacArthur moved its base from Yokohama to Tokyo. Near my home I watched a procession of American military motor vehicles snaking along Highway 1. This truly awe-inspiring cavalcade included jeeps, two-and-a-half-ton trucks, and enormous trailers mounted with tanks and artillery. At the time, I was a 21-year-old student in the Machinery Section of Engineering at the Tokyo Imperial University. Watching that magnificent parade of military vehicles, I was more than impressed by the gap in industrial strength between Japan and the U. S. That realization led me to devote my whole life to the development of the Japanese auto industry. I wrote a small article concerning this incident in Nikkei Sangyo Shimbun (one of the leading business newspapers in Japan) on May 2, 1983. The English translation of this story was carried in the July 3, 1983 edition of the Topeka Capital-Journal and the September 13, 1983 issue of the Asian Wall Street Journal. The Topeka Capital-Journal headline read, "MacArthur's Jeeps Were the Toyota Catalyst.

No Good Men Among the Living - Anand Gopal 2014-04-29

Told through the lives of three Afghans, the stunning tale of how the United States had triumph in sight in Afghanistan--and then brought the Taliban back from the dead In a breathtaking chronicle, acclaimed journalist Anand Gopal traces in vivid detail the lives of three Afghans caught in America's war on terror. He follows a Taliban commander, who rises from scrawny teenager to leading insurgent; a US-backed warlord, who uses the American military to gain personal wealth and power; and a village housewife trapped between the two sides, who discovers the devastating cost of neutrality. Through their dramatic stories, Gopal shows that the Afghan war, so often regarded as a hopeless quagmire, could in fact have gone very differently. Top Taliban leaders actually tried to surrender within months of the US invasion, renouncing all political activity and submitting to the new government. Effectively, the Taliban ceased to exist--yet the Americans were unwilling to accept such a turnaround. Instead, driven by false intelligence from their allies and an unyielding mandate to fight terrorism, American forces continued to press the conflict, resurrecting the insurgency that persists to this day. With its intimate accounts of life in war-torn Afghanistan, Gopal's thoroughly original reporting lays bare the workings of America's longest war and the truth behind its prolonged agony. A heartbreaking story of mistakes and misdeeds, No Good Men Among the Living challenges our usual perceptions of the Afghan conflict, its victims, and its supposed winners.
